

The super fast RG Rapid-Launcher

Special top training device for hunters, hound instructors, retriever dog handlers and dog sports clubs

Nine-shot selfloading shooting device, 9 mm calibre P.A.K. to fire rubber-dummies, shooting range more than 55 yards. Felt seals pressed into the dummies are scented (e.g. duck, pheasant, fox, wild boars scent etc.)

Range
over 55 yards

Perfect exercise for basic skills, e.g. delivering, lost, and lost and found exercise of duck in the reed. Dummy can be shot into a cornfield, plants or even water (floatable) without any problems.

Delivery in hard-top suitcase including:
RG Rapid-Launcher, dummy, felt seals
